

# PILGRIM TIMES

SUMMER 2022

## Governor's Message

Greetings Mayflower Cousins,

I hope this finds you well and enjoying some Spring weather. It was wonderful to see many of you at our Compact

Dinner when we celebrated the 400th anniversary of the First Thanksgiving. The Board of Assistants received positive feedback from members about how we structured our Fall meeting. By conducting the business portion of the meeting virtually and the social portion in person, we were able to include members who would not have been able to make it to an in-person meeting in Denver.

We will conduct the upcoming Spring luncheon the same way, with a virtual business meeting the week prior to the luncheon.

In the past, we have held our Spring meeting at Mt. Vernon and Pinehurst Country Clubs, however, this year we will meet at Columbine Country Club. There is plenty of space and even better, there will not be a limit on attendance like we had in the Fall. If you would like to sponsor one of our society's meetings at your

club, please reach out to me or Liz, our Deputy Governor. Invitations and the link to register for the Spring meeting will be sent out near the end of April by email.

Additionally, the Board of Assistants decided to extend the deadline for the Mayflower Scholarship. Communications with the school was still uncertain with COVID, so not all counselors were back in person. We will report on the winner in the Fall newsletter.

The link to register for the General Board of Assistants Meeting is open on the GSMD (General Society of Mayflower Descendants) web site. This year's meeting will be held in Minnesota. The highlight of these meetings is not the meeting itself, but the tours, meals and friendships made. Please let me know if you have any questions, or are planning to attend.

I am happy to announce and thank our new "Pilgrim Times" editor Priscilla Mead for volunteering to be the editor of our society's newsletter.

Sincerely,  
Susan Braun  
Governor Colorado Society

## Scholarship Update:

We have had approximately 21 applications to date for the 2022 Mayflower Scholarship. They have arrived from all around the state, both private and public schools. The first group is being judged currently and this chair is hoping for a second group in April/May to increase participation. This year's prompt is writing a letter to give everyone a break from the typical essay contest. It focused on last November being the 400th anniversary of the first Thanksgiving. We have heard from one of the past four recipients to date and their response is included in this newsletter. Any questions or if you want to volunteer to judge round 2 please let this chair know at either email: linda.burdick.616@

gmail.com or text at 970-712-2542. Everyone's assistance and encouragement are appreciated.

Linda Burdick, CSMD Scholarship Chair

### A note from one on last year's winners:

*My first year at Montana State University has been amazing so far. I am loving school and trying new things. I am so grateful to have received the Mayflower scholarship because it has allowed me to focus on my schooling and it has allowed me to have some free time to do what I love rather than worry about paying for school. Thank you again so much for this opportunity.*
